

# Comfort & Support that suits your needs

Whether your needs are for hospital or long term care facilities, Globalcare products provide quality furniture solutions. Products which are specifically designed to promote correct body positioning and alignment for an enhanced level of wellness.

Seating for client rooms, clinics, lounges, lobbies and activity rooms combined with dining and occasional tables create a non-institutional ambience characterizing these **Quality of Life Products™**.

Compliance to the demands of efficient and stringent healthcare housekeeping standards ensure that these products will remain in service for many years, thereby providing a good return on investment.
