### FEATURES

- The Adeline Flexback chair offers a soothing rocking motion when desired. The rocking motion offers comfort and relaxation with safety and no pinch points. The motion provides a sense of comfort during stressful times
- Seat cushion is constructed with high density Ultracell foam, and fully covered with upholstery with minimum amount of seams to reduce risk of penetration from spills and body fluids to the foam
- Armrests are a durable self-skinned urethane, with comfortable grip for ease of entry and exit
- Standard glide is non-marking black plastic, optional white opaque non-marking glide available at no upcharge

### AVAILABLE TEXTILES & FINISHES

- Available in GLOBALcare Crypton and Vinyl textiles offering. Please visit our website at [www.thinkglobalcare.com](http://www.thinkglobalcare.com) in the Textiles & Finishes section for details
- Metal oval tube frame is standard in Black. Optional frame finishes in French Vanilla, Caramel Cream and Tungsten
