

GC7875

GC-Citi offers a sleek, architectural and contemporary design in a compact size.

The pure simple lines of the GC-Citi underscore the minimalist design of this classic tuxedo style lounge series.

The steel leg brings a lightness of scale, while satisfying the need for accessibility.

FEATURES

- The interior wood frame is an 'Interlocking Construction' providing superior strength and long term durability
- The seat is fastened into place and removable over an open frame structure eliminating all barriers and traps below the surface
- The seat cushion is fully encased by the upholstery with a nylon zippered opening for access if replacement is required. This method of upholstery when using Crypton or Vinyl textiles prevents the interior construction from contact with spills and body fluids that could affect the product's long term performance.
- Steel 5"H legs are available in Tungsten as standard or Black with no upcharge.
