

**GC34022-3**  
Midback, Regular Seat, Multi-Tilter

**GC34011-5**  
Low Back, Small Seat, Operator

The GLOBALcare Granada Select has been developed to withstand the rigors and demands within Healthcare settings.

All models can be upholstered in Vinyl or Crypton Textiles, protecting the chairs, foam and inner materials from penetration of food and body fluids.

The underside of the seat pan is protected using a poly moisture resistant covering.

### FEATURES

- Three sizes of seats and three sizes of backs allow you to interchange to the FIT of your choice.
- The additional option of a Schukra™ mechanism allows for depth adjustable lumbar support further personalizing comfort and support.
- The back/lumbar area is height adjustable via a ratchet style device concealed within the back on the Multi-tilter and Operator chairs.
- Arms are height and width adjustable (WA) to suit user and job function.
- Standard Multi-depth seat mechanism enables the seat to slide forward and backward to accommodate user's leg length on multi-tilter only.
