### UPHOLSTERY

- Select from an assortment of moisture proof fabrics and vinyls to complement your interior
- Anti-microbial, anti-bacterial, anti-fungal and food stain resistance along with a high durability rating.

### MOLDED FOAM

- High density molded foam cushions
- Fire retardant and flame resistant

### SEAT & BACK

- Slight sloping seat cushion with space between the back rest allows any liquid spillage to flow away quickly
- All seat and back components are modular which allows for easy maintenance and replacement
- Nylon zipper covers allow for easy replacement

### FRAME

- Constructed of genuine laminated hardwood and solid oak for strength and durability
- Mortise and tenon joints with specially engineered mechanical fasteners provide sound structural elements and long lasting quality
- Available with open arm frame or fully enclosed and upholstered

This MODUCARE frame illustrates the sturdiness and simplicity in construction and design eliminating springs, webbing and other components that may wear out prematurely.
