UPHOLSTERY

- Breathable fabrics for ultimate comfort
- Integrated moisture barrier for easy maintenance and long term performance
- Excellent stain, mildew and bacteria resistance qualities
Many stains may be removed with mild soap and water
- All upholstery fabrics are wear tested and rated to provide long term performance and service

FOAM

- Foam for optimum comfort and greater support
- Fire retardant and flame resistant
- Provides a softer, more residential feel

SEAT & BACK

- Combines luxurious styling with contemporary comfort and quality craftsmanship
- Elegant design details and tailoring
- Contoured and plush seat and back cushions

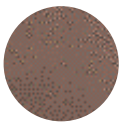

FRAME

- Distinctive style lend an air of elegance and timeless appeal
- Finishing coat on lower frame protects against moisture and provides an easily maintained surface

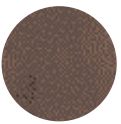

Seat cushion is readily removable to facilitate maintenance and eliminate the build up of bacteria
